As a recipient of Colorado Child Care Assistance Program (CCCAP) Benefits, I agree to the following:

- 1. To notify my child care worker in writing within ten (10) calendar-days if my total household income exceeds 85% of the State Median Income (SMI) and report within four (4) weeks if my qualifying eligible activity changes. I understand that I must also verify these changes and that I will have to repay any benefits I received for which I was not eligible. Income amounts by household size can be found at www.coloradoofficeofearlychildhood.com.
- 2. To complete the re-determination process, including providing a complete re-determination packet and all required verification, when it is due, in order to maintain my CCCAP benefits.
- 3. To provide my child care worker with a copy of my un-expired picture ID that has been taken in the past ten (10) years issued by a school or U.S. federal or state governmental agency if I am declaring the identity of my child(ren) due to the child(ren) not having identification as part of the application or at re-determination if it was not previously received by my child care worker.
- 4. I agree to provide my child care worker with immunization records for my child(ren) if they are not yet school-age and care is provided outside of my home by an unrelated, Qualified Exempt Child Care Provider.
- 5. To notify my child care worker prior to changing child care providers otherwise the county may not pay for my child care.
- 6. To cooperate with the Child Support Services office for any child that is receiving care and has an absent parent if my county requires cooperation with Child Support Services.
- 7. To use the State approved Attendance Tracking System (ATS) as designed to check my child(ren) in and out of child care on the days that my child(ren) attends child care. If my child care provider has a state approved ATS waiver, I will check my child(ren) in and out as instructed by my child care worker and/or provider.
- 8. To not share my Attendance Tracking System Personal Identification Number (PIN) with my child care provider or any other individual and to notify my child care worker if my child care provider asks for this information.
- 9. To pay the parent fee listed on my child care authorization notice to my child care provider in the month that care is received.
- 10. If my CCCAP case closes and less than thirty (30) days have passed from the date of closure before I have provided the verification needed to correct the reason for closure, services may resume as of the date the verification was received by the county. I also understand that I would be responsible for payment during the gap in service.

As a recipient of CCCAP benefits, I acknowledge the following:

- 1. If myself or any teen parent or additional guardian/spouse in my child care case is self-employed I/we must maintain an average income that exceeds business expenses and I agree to track and verify income, expenses, work schedule and need for care to assist in my eligibility determination.
- 2. If child care is provided for an employment or self-employment activity then the taxable gross wages divided by the number of hours worked must equal at least the current federal minimum wage in order to continue receiving child care. If a self-employment endeavor is less than twelve (12) months old and I am not making minimum wage, I will communicate this to my child care worker so that I may utilize the Self-Employment Launch Period.
- 3. My parent fee is based on countable household income, household size and number of children in care and is subject to change. I will be notified of my new parent fee at the time of application or re-determination; or, when a reduction/increase of household parent fee occurs.
- 4. If I do not pay my parent fee or make acceptable payment arrangements with my child care provider, I will lose my child care benefits at re-determination and will not be able to receive child care assistance with another child care provider and/or through any other county.

If you disagree with any action taken in regards to child care benefits, you have a right to appeal.

- If your child care benefits are denied, you must call your child care assistance worker within fifteen (15) days of the date of that denial to say that you want to appeal.
- If your child care benefits are changed, you must call your child care assistance worker within fifteen (15) days of the date of the notice of the change to say that you want to appeal.
- If your child care benefits are terminated, you must call your child care assistance worker <u>before the effective date</u> of the termination to say that you want to appeal.

A hearing will be scheduled by the county department. At the hearing, you will be given an opportunity to present your case. If you appeal the decision or change, the person who officiates at the hearing shall not be the originator of the change or decision.

Before you decide to request a county hearing, we encourage you to talk with your county department child care worker first, and then the worker's supervisor. Often your questions and concerns can be settled by talking to the county staff responsible for making the change in your child care subsidy.

If after you completed a county hearing you still disagree with the decision, you may appeal the decision to the State by following these steps:

1. Write a letter to:

Office of Administrative Courts 1525 Sherman Street 4th Floor Denver, CO 80203

- 2. You must appeal the county decision within 15 days of the mail date on the Notice of County Hearing Decision.
- 3. In the letter you need to state that you want to appeal the county hearing decision and why you want to appeal the decision. If you need help doing this you can ask anyone to help you, or talk to a legal aid office, or ask your County Social/Human Services representative to help you.
- 4. The Office of Administrative Courts will schedule a date for the appeal hearing if it is determined the request was filed timely. You will receive a letter from the Office of Administrative Courts explaining the next steps, who may come with you, who may present testimony and other information about the hearing.

You should be aware that the state and county are required to attempt to collect all benefits provided for which you were not eligible.
